

BASEBALL SENATORS RESTING. TURF YACHTING THREE-CORNERED RACE TODAY. BOXING HIGH SCHOOLS WILL HOLD OUTDOOR MEET

After Winning Yesterday's Game in Grand Style They Are Now Moving on to Boston for Five Games.

Cleveland Scribes Pick Athletics as Best of Eastern Teams—Work of American's Pitchers Thus Far.

Today the Senators are speeding from Detroit to Boston, resting on their laurels, as it were. The boys deserve a whole lot of credit for the great game they put up yesterday. But why, oh why, is it they do not do this often?

The team is certainly composed of some glib-edged ball players, and after making all due allowances for the long string of mishaps all the defeats administered to them this season can't be attributed to this source. There were times innumerable when a little head-work and inside play would have pulled off a victory, yet some rank piece of stupidity, either at bat, in the field, or on the bases, invariably followed, precluding all opportunity of winning.

Tomorrow the Boston series begins. Five games in all will be played at the Hub, two on Decoration Day, and then the weary wanderers fly homeward and next Monday they open up at American League Park.

Let us hope a change of scene and a few familiar faces to greet them will have the desired effect.

Senators Outclassed.

The four Eastern teams have now appeared in Cleveland, and of the four, it must be said that the Athletics look the strongest, with Boston a close second. To be sure, the Philadelphia have been seen in but one game, and then with Waddell in the box, but reports from other cities say that in Plank and Bender, Connie Mack has two twirlers who can be depended upon to win about as regularly as "Rube." The Athletics are battling strongly and their fielding in Saturday's game was as good as could be wished for.

Boston looks weak in the box, with only two winning pitchers, Young and Dineen. Hughes is not pitching good ball, while Winters and Gibson are in the same class. The team, however, is batting and fielding well.

New York also seems rather weak in the box with only Chesbro and Tannehill in form, although Saturday's game pitched by Clarke Griffith would indicate that the manager was rounding to.

Washington seemed outclassed when in Cleveland. Her pitchers were only fair, while at the bat the Senators were very weak. To be sure, however, the team is greatly crippled, and may show better form when the regulars get back into the game—Cleveland Plain Dealer.

May Lift the Ban.

The story to the effect that President James Potter, of the Philadelphia National League Club, had withdrawn all objections to Lajoie and Bernhard participating in games at Philadelphia was verified by C. W. Somers, vice president of the Cleveland American League Club, last night. Mr. Somers stated that the story was true in detail and that the entire matter now rested with the Philadelphia clubs.

As the matter now stands Lajoie and Bernhard will probably play with the Blues in the Quaker City, but it is almost certain that they will meet with some trouble either before the beginning of the first game or at its close. The two players will probably go before the Philadelphia courts, make an effort to adjust the matter by paying any nominal fine which the judge may decree. The action of the Philadelphia courts would settle the entire matter for good and all.

American League Pitchers.

Not including Sunday's games Donavan, of Detroit, Dineen of Boston, and Patterson, of the White Sox, lead the league in victories with six to their credit out of seven games pitched. Desinger and Owen have a clear record, but neither has pitched over one game. Bernhard is seventh upon the list, while Joss is eleventh. There are seven twirlers who have not won a game. The complete record up to Sunday follows:

SENATORS TAKE LAST GAME OF WESTERN TRIP

Play Brilliant Game and Win From Detroit, 5 to 1.

Washington 5, Detroit 1. Look well and ponder deeply, gentle reader, and be sure you make no mistake—the score is correct and Washington really won.

By playing ball from the long tap until the last man was out in the ninth inning, the Senators, with Case Patten in the box, snatched leadership honors from the Detroit Tigers yesterday, and closed the first Western series in a blaze of glory.

Patten pitched a masterly game, had perfect control, and mixed up his speed and wide ones with rare discretion and to the utter mystification of his opponents.

Washington, with the grim determination to do or die, played baseball as it should be played, reverting to "inside play" at all times. Team work was perfect both at bat and on the bases, and the fielding only marred by two miscues, neither of which figured in the run getting.

Mullin was on the slab for the Tigers, and the fusillade of hits, sandwiched in with bunts and sacrifices, completely took the young chap's nerve, and defeat was inevitable. Bill Coughlin and Case Patten were the stars with the stick, each securing two hits. The score:

"TWIN" SULLIVAN FOUGHT DRAW WITH JACK PALMER

LONDON, May 26.—At the National Sporting Club last night Jack Palmer, of Newcastle, met "Twin" Sullivan, of Boston, Mass., in a contest for the middleweight championship of England and \$1,500.

The American made a fine stand, but the men were so evenly matched that the close of the fifteenth round the referee decided in favor of a draw. There was desperate fighting in the final rounds, and Sullivan finished the stronger of the two men.

ALEXANDRIA NEWS NOTES

Suspect Incendiaries. ALEXANDRIA, Va., May 25.—An alarm of fire was sounded yesterday evening while the services of Confederate Memorial Day here were in progress.

It was caused by a fire being discovered in the old wagon shop in the alley bounded by King, Pitt, Cameron, and St. Asaph Streets. This is the fourth time that this building, which is an old frame structure, has been on fire within the last month or two, and the police are confident that the fires have been of incendiary origin. The damage was slight.

ODDS ARE SHAMROCK III WILL NOT WIN A RACE

\$1,500 to \$1,000 Laid by N. Y. Y. C. Man on Reliance.

Not a possible chance for the American Cup is conceded to the Shamrock III by a yacht owner and member of the New York Yacht Club, who yesterday wagered \$1,500 to \$1,000 that the Reliance will win in one, two, three or four in the series. David Barrie, Sir Thomas Lipton's commercial manager in this country, took the short end of the bet.

The transaction came about through a discussion of the possibilities that the challenger has for "lifting" the cup of his third trial. The New Yorker expressed his assurance that defeat would again be the portion of Sir Thomas.

Mr. Barrie was somewhat astonished when the American made the bold statement that Shamrock III would not take one of the series of races, but when the odds were quoted, promptly changed his mind.

Mr. Barrie acknowledged last night that the wager had been made, but refused to name the member of the New York Yacht Club whose money he expects to win.

Relay Race the Feature.

The feature of the card is the championship mile relay race. Each team will be composed of four men, who will each run a quarter of a mile. At present the Central team is probably in the best condition, and the number of candidates has dwindled down to five. They are Magoffin, Fisher, Scudder, Crouse, and Kelly. Of this quintet Magoffin, Fisher, and Kelly are all old and seasoned men at the game.

Every afternoon, after school hours

Local Student Athletes Getting Into Condition for Annual Spring Games to Be Held at Y. M. C. A. Park on June 5.

Gold, Silver, and Bronze Medals to Be Awarded. Thirteen Events on the Card—Relay Race the Feature.

The twelfth annual spring meet of the Washington high schools will be held at Y. M. C. A. Park, Seventeenth and C Streets northwest, on June 5, at 3:30 p. m.

Handsome medals will be awarded as first, second, and third prizes. The winners will be presented with gold medals, silver medals to those finishing second, and bronze medals for thirds. The prizes have been ordered and are expected to arrive this afternoon, when they will be placed on exhibition.

This year the outdoor meet promises to be more successful than ever, since the Central lads will not have all the events at their mercy. This spring it will have one more school to compete against, Technical. In its one year in high school circles "Tech" has figured prominently, putting a strong baseball team in the field and winning the competitive drill. This latter feat is the greatest that can fall to the lot of any of the local high schools.

While the new institution does not figure any stronger than Central in athletics, it is to be reckoned with, and is looked upon by the majority of high school students as the one to push Central for athletic honors this season.

Central Always Victorious.

There have been eleven high school athletic meets, and in each one Central has come out victorious. Until the present school year, Central and Technical were quartered in the same building and were entered in athletics as one school, Central. But this year, Central will not enjoy this advantage. She will have Technical as a rival, and a prominent one at that, with Western figuring almost as strong as either. Eastern has but scant material, at present, from which to form an athletic team, so it is hardly to be considered, while Business is handicapped by a course of only two years.

However, should Business go into the athletic meet with as much interest as heart as the other schools, it would likely prove a worthy competitor, as it has the material for a good team.

The meet will be directed by Will Foley, director of high school athletics, who is well known in local sporting circles.

There will be thirteen events on the card, and three junior events. The most important of these is the relay race for the championship of the high school, and the junior relay race.

The events to be contested are the junior 75-yard dash, junior 120-yard hurdles, junior relay race, 100-yard dash, one-mile run, one-quarter-mile run, 220-yard dash, 220-yard hurdles, half mile run, shot-put, hammer throw, discus throw, broad jump, running high jump, pole vault, and champion relay race.

The program has not yet been completed, but is expected to be out the latter part of this week. On its cover will appear a drawing of three athletes taking the hurdles, drawn by Miss Hertford, of the McKinley Manual Training School.
